

Seventh Grade Earth & Space Science
Mr. Becker

- Class rules:
- 1- Be on time, enter quietly
 - 2- Stay in your seats until dismissed
 - 3- Remain quiet - raise your hand to talk
 - 4- Have supplies ready to use
 - 4a. Only science class materials will be allowed
 - 5- No eating, drinking, or gum
 - 6- This is science class. (not social time nor time to work on assignments from other classes)
 - 7- Respect: yourself and your work
 - 8- Respect your classmates
 - 9- Accept Responsibility for your actions
 - 10- If it isn't yours, don't touch it.
 - 11- Do not interrupt this class.

Failure to follow the rules may result in detention, home contact, or office referral.

| | | |
|---|---------|-----|
| Grades will be based on the following scale: | 90-100% | = A |
| Tests and labs will be 100 points. | 80-89% | = B |
| Quizzes will be 10 - 25 points. Classwork and | 70-79% | = C |
| homework will generally be worth 1-2 points per answer. | 60-69% | = D |
| | 0-59% | = F |

Tests will be at the end of each chapter and will be announced at least two days ahead of time. A paper must be turned in on time for every assignment. Make-up work will be allowed for excused absences with no loss of credit. Other late work will not receive full credit.

Goggles (splash-proof) may be required for some labs and must be provided by each student. These may be purchased in class for \$3.00. All lab rules must be followed; failure to follow lab rules will result in exclusion from that activity and loss of credit with no make up privileges.

For help night I will keep Mondays and Fridays after school available; however I will be happy to meet for help at any other time if possible. Please try to make arrangements 2 days in advance.

Parents, please feel free to contact me at school, I will get back to you as soon as I can.
Telephone at school is: 363-8648

- My schedule:
- 1st bell: planning,
 - 2nd bell: 7th grade science,
 - 3rd bell: 7th grade science,
 - 4th bell: planning,
 - 5th bell: 7th grade science,
 - 6th bell: 7th grade science,
 - 7th bell: 7th grade science.

Supplies needed for class:

Text book; this must be covered by the second week of school and must be kept covered and free from excessive damage throughout the year.

Pencil; bring several as you will not be permitted to sharpen them during lectures, presentations and similar quiet times. A pen might be acceptable for some assignments, but not for others. A pencil is always acceptable.

Spiral Notebook: This may be as small or as large as you wish to carry around with you. You will need it on an ongoing basis as you will be collecting important notes in here and will want to have it available for quizzes and perhaps tests.

Notebook; This should be a green (following WHHS recommendations) loose-leaf binder. You will need to keep your papers in this binder, in order, and with you in class every day.

Paper for use in your binder.

You must have your supplies with you, ready to use when the bell rings to begin class. Failure to bring your supplies could result in you being excluded from the day's activity with the resulting loss of credit. Unprepared students will not be allowed to make up missed work.

Do not count on me providing you with any missing supplies.
