

SPECIAL ASSIGNMENT COMPONENT

NOTEBOOK: This consists of the 3 ring binder (six tabbed sections) with current quarter material(Chapters 2 through 4), a grade chart (new one for this quarter), and an investigation folder (Remove investigations from Chapter 0 and 1).

PARTICIPATION: Student are required to copy a problem they have completed in homework onto an acetate sheet (provided in class) for use in class discussion of the homework. Accuracy is not the basis of the grade as much as display of work and clarity of process. Students must complete 5 by the end of the quarter.

PREPARATION: Students are required to bring supplies every day. They will start off the quarter with 45 points. Each time they do not have a needed supply from their supply list a point will be deducted for that day. This includes their notebook, pencils, pens, scientific calculator, graph paper, textbook, and ruler.
