

CLASS RULES

1. Respect yourself and others at all times.
2. Bring all materials to class every day (your book too)
3. Be seated and ready to begin when the bell rings. (i.e., have out necessary homework/supplies, etc.,)
4. Obtain permission to speak with other students during class instruction and/or for leaving your seat once the bell rings.

- A functioning brain & positive attitude (☺)

KEYS TO SUCCESS

YOUR ATTITUDE IS EVERY THING-“KNOW YOU CAN SUCCEED” AND ACT ACCORDINGLY

YOU MUST ADAPT YOUR STUDY HABITS TO YOUR PERSONALITY!

*Choose a place to study that helps you concentrate. (For some people that is not a quiet place but one with low volume background noise)

YOU MUST MEMORIZE RULES, VOCABULARY, AND PROCEDURES BEFORE YOU CAN LEARN

THEM. Learning implies understanding and long-term recall. Not only can you do it well but you can also explain it and apply it to related situations.

YOU MUST THINK. Ask yourself if things make sense. Do they accurately reflect the information? What is the pattern? What is it your trying to find and what do you know that could relate, etc.,

YOU MUST DO ALL HOMEWORK!!!!!!!!!!

YOU MUST CORRECT & GO OVER MISTAKES ON HOMEWORK, QUIZZES, & TESTS!!!!!!!!!!
YOU MUST SEEK EXTRA HELP WHEN HAVING TROUBLE IMMEDIATELY!!!!!!!!!!

YOU MUST HAVE A SINCERE DESIRE TO DO WELL!!!!!!!!!! That means that you are willing to put in the time and effort needed to internalize the information and overcome the difficulties encountered.

REMEMBER, GOOD STUDY HABITS ARE LEARNED NOT INNATE OR AUTOMATIC AND THERE IS NO SUBSTITUTE FOR HARD WORK!
