

Expectations Algebra/Nashid

Students will be allowed to retake a **TEST** with a grade below 60% (provided they do not have multiple missed homework or were absent for the original). They must do so after school during a makeup session- dates are posted on the calendar on our webpage.

2ND Qtr - Grade Components

Tests.....	35%
Homework.....	25%
Quizzes.....	25%
Groupwork.....	10%
Special Assignments.....	5%

Frequent

Participation, Preparation, and organization will be assessed under this category. Students are still responsible for keeping an organized notebook. 5 problems from homework must be presented in class by the end of the quarter from homework and daily supplies and resources must be present. Details will be discussed in class and posted on the webpage by the end of the week.

Cooperative learning will be an integral part of the class activities. All cooperative assignments must be made up for credit if absent.

Each lesson's homework is worth 100pts. To receive full credit it must be properly headed, neat, **show all work in pencil** and **corrections in ink**, and be submitted **on time** (unless due to excused absence then appropriate makeup procedures should be followed.)

Special Note: All students are required to keep an organized notebook that contains all materials covered in the current quarter (For us this means Chapter 2 material and forward). If an item is requested students must be able to locate it immediately and submit regardless of how long ago it was assigned within the quarter. Reading of the text and taking notes is required on all lessons. Effective notes include Vocabulary and Algorithms. Each of these components of the notes should have an example (visual, graphic, numeric, and/or algebraic) Students are required to have a Scientific Calculator. (plain ordinary Scientific Calculators- Graphing Calculators are optional)

If you have any questions ask before due dates.
